

Marie Lin

Hi,

I am running for Secretary of the Pacific Swimming Board of Directors. I have been a Member at Large for the past two years. Prior to that I was Secretary of the BOD for four years and am very much invested in the success of Pacific Swimming.

I have chosen to run again for Secretary because I would like to provide our new Chair with support from a Secretary that has had extensive experience with the business and processes of the BOD. Also my various experiences in a broad spectrum of activities in swimming allows me to bring assets to effectively serve the BOD. These other experiences include:

- Member-At- Large, Pacific Swimming Board of Directors 2015-present
- Member and Secretary of Governance Committee - 2015- present
- Member -At-Large , Pacific Swimming Diversity Committee - 2015-present
- Secretary of the Pacific Swimming Board of Directors 2011-2015
- USA Swimming Official 15+ years, officiating at all levels of meets in Pacific Swimming, in other USA Swimming LSCs, Nationals, College (NCAA), USA Masters, High School, and Recreational Leagues
- Sanctions Chair for Zone 2 2008-present
- Member of USA Swimming Credentials/Elections Committee 2013 - present
- Past Secretary of the Walnut Creek Aquabears (Zone 2 team) for many years
- Past Member of Board of Directors for Rudgear Rats (local recreational swim team) for many years (in charge of records, time standards, timing system, awards)

I would be honored to serve on the Pacific Swimming Board of Directors as Secretary, and thank you for your consideration.
